

Small and Medium Enterprise Relaunch Grant

Overview

The Small and Medium Enterprise Relaunch Grant offers financial assistance to Alberta businesses, cooperatives, and non-profit organizations that were ordered to close or curtail operations, and that experienced a revenue reduction of at least 30 per cent as a result of the COVID-19 pandemic.

Alberta businesses, cooperatives and non-profit organizations with fewer than 500 employees that were ordered to close or curtail operations as a result of public health orders issued by Alberta's Chief Medical Officer of Health may be eligible.

Organizations can use these funds as they see fit including paying rent, employee wages, or the costs of implementing new measures to minimize the risk of COVID-19 transmission.

Funding

Eligible organizations can apply for 15 per cent of their pre-COVID-19 revenue, up to an initial maximum of \$5,000 in funding. Eligible applicants in regions affected by new health orders (November 2020 and later) that were required to curtail operations, are also able to apply for a second payment up to \$15,000. The grant is a taxable benefit and must be declared on your annual tax returns.

*If any other payments, grants or amounts were received from federal or provincial government sources or from insurance to replace or compensate for the loss of revenue (other than the sources listed above), your organization is not eligible to apply..

For more information on how the program defines these eligibility criteria, please refer to Appendix I of the program guidelines.

Organizations with multiple permanent physical establishments in Alberta that have seen revenue reductions are eligible to apply for funding for each establishment. This includes scenarios where an

organization has more than one location/chapter/branch that has seen revenue reduction of at least 30 per cent due to COVID-19 public health orders.

Please submit separate applications for each location/chapter/branch, and check the appropriate box in the application form.

How to apply

All applications must be submitted through the online application portal, which can be accessed through the [program webpage](#). Eligible businesses, cooperatives and non-profits from all regions of the province may apply at any time until application intake for the program closes.

An official date for intake closure will be posted on the program webpage when finalized.

The program aims to process applications and issue payments within 10 business days following submission. Applications with incomplete or incorrect information, or applications that require manual review, may experience a delay in processing.
