

*The Village of Stirling, located in the area known as Omukotsi-mokoyi or “big meadow grass”, acknowledges and deeply appreciates the Siksikaitapii peoples’ connection to their traditional territory. We, as people living and benefiting from Blackfoot Confederacy traditional territory, honour the traditions of people who have cared for this land since time immemorial. We pay respect to the Blackfoot people past, present and future while recognizing and respecting their cultural heritage, beliefs and relationship to the land.*
