MARCH 2025

## Stray Pets & Feral Cats

Stray pets and feral cats are a growing concern in many communities, affecting local wildlife, public health, and pet populations. There are steps we can take to reduce their numbers and ensure their welfare. Please visit our [website](#) for more information.

## Landscaping & Gardening Tips

Spring is here, and it's the perfect time to start planning your garden and outdoor spaces! To help residents make the most of the season, we've put together a [Gardening and Landscaping Guide](#) filled with information and links!

## Human Wildlife Conflicts

With spring arriving, more wildlife is returning to the Village. Taking simple precautions like securing trash, keeping pets indoors, and not feeding wildlife can help prevent conflicts and keep both residents and animals safe. Visit our [website](#) for helpful resources and contact information.

## Temporary Water Discolouration

In March, some areas of the Village experienced [temporary water discolouration](#) due to seasonal changes stirring natural sediment. While the water remained safe to drink, residents could run their taps for a few minutes to help clear it. If you have any concerns about water quality, please contact the Village office.

## Business Supports & Resources

Starting or refining a business in Stirling? A valid business license is required, and some businesses may need additional approvals before obtaining a license. Visit our [website](#) for essential steps to launching a business, and contact our office to obtain the proper documents and approvals before operating.

## Council Meeting

Council held meetings on March 5 & 19, 2025, discussing various community matters. For detailed minutes and agendas, please visit the [Council Meetings](#) section on our website.
