

Mayor's Monthly Message

March 2024

Council was pleased to be able to host our colleagues from the County of Warner, Village of Coutts, Village of Warner, Town of Milk River and Town of Raymond in Stirling on Monday, March 4th for the annual "All Councils Meeting". Approximately 45 local elected officials from the region were able to come together for the evening to discuss issues of common interest. We were also able to hear from MP Glen Motz, MLA Grant Hunter as well as representatives from the RCMP and the Association of Alberta Municipalities.

Planning continues for this year's Settler Days that will take place from Thursday, July 19 to Saturday, July 20th. The Community Events Committee is working hard to plan a variety of family-friendly festivities as we celebrate Stirling's 125th Anniversary. One of the events will include an Artisan Showcase to help show off the amazing local talent in our community. Artists, creators and makers are all invited to show off their wares. Sign up is available at the Village office.
