A Strong Voice for Our Community

Hi, I'm **Stacey Maynes**, and I've proudly called this village home for over 30 years. As a Family Support Worker with FCSS, I work directly with families in our community, offering support when it's needed most. I'm a parent, a proud volunteer, and an active part of this village—ready to serve with honesty and heart.

I'm running for Village Council because I care deeply about this community and believe in responsible leadership, transparency, and putting people first.
