Saturday July 15th, 7am at the Community Centre

The Stirling Community Walking Club will be hosting the first ever 5km walk for the 2023 Settler Day Celebrations. Starting at 7am Saturday July 15th at the Community Center and ending back at the Community Center in time for the Fireman pancake breakfast!

Starting point will be at the Community Centre. We will head south on 2nd Street and follow the loop for 5km back to the Community Centre. Roughly 1hr to walk the loop.

If 5km is too far, using the red line will let you cut out and head back to the Community Centre completing a 2.5km walk and approx. 30mins to complete.
