

STIRLING

Fire Ban

Issued July 21, 2023

Until further notice

Due to persistent hot and dry conditions forecasted for the coming week, the Village of Stirling has issued a Fire Ban.

All open Fires including recreational fires are prohibited within the municipal boundary beginning on Dates above pursuant to Section 13 of Bylaw 491-20, the Revised Fire Bylaw

The fire ban does not apply to fires which are fully contained in cooking or heating appliances when fueled by fluids, pellets or gases- IE: gas or propane fueled BBQ's, stoves and heaters, pellet fed BBQ's or Smokers.

All approvals for fireworks or burn permits previously issued are suspended for the duration of the ban. No new permits will be issued until further notice.

It is an offence under the Bylaw to ignite or allow a fire to burn under a Fire Ban.
